**Discussion on Public Meeting**

- Good feedback from the public.
- Use the Grand Lists reference for single-family homes for consistency. Number differs from NVDA.
- Add to the Energy Section that the community has made tremendous strides in reducing their fossil fuel and energy consumption. We have new numbers for solar arrays and heat pumps that are positive.

**Next steps**

- Town Plan will be delivered to the Select Board on November 25 with color copies and an emailed PDF.
- PDF copy to Diane who can attach or link through the Town call-out email blast.
- Commission directs Jim to attend the next Select Board meeting and to provide color the copies for the three members.
- No additional color copies will be made. Paper copies can be made available as black and white through the Town's copy machine.

**Motion to accept the Town Plan as is with the agreed changes from the public meeting and the addition of the Energy section note for efforts and successes within the community.**

Motion Kenric; Second, Darrell
