Town of Holland
Selectboard Meeting Minutes
Town Office
September 14, 2026

Present: Select board Members: Trevor Gray, Dave Jacobs
Town Clerk/Treasurer: Diane Judd
Road Foreman: Adam Provost
Others: Kenric Gonyaw, Liz Hager

1. Meeting was called to order at 6:33 by Trevor.

2. Minutes – from 09/01/2026 were approved Dave/Trevor AIF

3. Adoption/Amendments to Agenda – none

4. New Business –

A. Road Foreman Report- Truck 21 is still at Allegiance for the oil leak that was previously worked on. It should be covered by warranty. The windshield in the Ford was replaced. Adam will be meeting with Elise from the State to finalize the grants in aid Holland Pond Road project. Bates Hill Road structure should be ready around September 20. He anticipates that it will take three days to complete. He is looking into having a beaver deterrent device built for that area. Truck 21 wing parts are ordered, $2,100. All Things- Asphalt should be paving the two locations on Valley Road soon. Diane asked about guardrails and Adam said we are on Lafayette's list to have them done. Backhoe still has some slop and it's anticipated that work will be done on it this winter, as it's an extensive repair.

B. Expenditure Reports – were reviewed.

C. Road Name – Diane shared that she (as E911 coordinator) had recently created an address for an anticipated new home on Lyon Road. The State E911 representative reached out to say that the section of Lyon Road that goes from School Road to the corner near the Percy residence should actually be a part of Prairie Road. It apparently does not meet current E911 addressing standards. There originally was an old road that went from that corner to the Canadian border. It was discontinued many years ago. If we accept this proposed change, it would mean new addresses for everyone on the accepted Lyon Road as well as the portion that "should" be Prairie Road. The State representative had sent a highlighted State Statute with the requirement, but it also said that if there was a 90 degree turn, the name could be changed if there was a stop sign. No action taken at this time.

D. Holland Unity Center Update – Ric is investigating a new strap for the handicapped swing. Currently there is no safety strap. The generator kicked on (as it's supposed to) during the recent power outage. He is keeping an eye on the fuel level in it. Diane reported that the new fridge is installed. She has been cleaning and organizing the kitchen to make it more rental friendly. We have occasional bookings but we need more. The large commercial fridge and freezer are now unplugged to save energy. We anticipate that those folks that had food shelf and resource room keys will return them at the end of the month. Items have been being moved from the rented spaces.

5. Public Comment – Liz shared that there will be a Turkey Bingo on Friday, November 13. Line dancing happens each Tuesday from 5:30-7:00. The Holland Community Center will be hosting a potluck dinner on October 19 from 12:00-2:00. The Historical Society will be hosting a beeswax candle event on September 18 from 5:00-7:00, free of charge. The Historical Society will be hosting the first annual Great Holland Halloween which will be a family friendly fun evening of crafts, treats and seasonal fun on October 9, from 5:00-7:00. A Holland holiday market will be held on December 5 at the Unity Center, put on by the Historical Society.

6. Unfinished Business – none

7. Town Clerk/Treasurer updates – Diane and Barb are back from training with more knowledge.

8. Select Board Update – Constable Brian Fletcher has been dealing with a dog issue on Stearns Brook Road.

9. Review of bills and signing orders
